PROFILE

I am seeking to launch my engineering career in a cutting-edge organization recognized for its innovation and commitment to excellence. Equipped with a fresh perspective and a solid foundation in engineering principles, I am eager to contribute effectively to a dynamic team environment. With a passion for problem-solving and a drive to excel, I am ready to take on challenges and deliver impactful solutions. Committed to continuous learning and growth, I am dedicated to making significant contributions to the success of the team and the organization.

PROFESSIONAL SKILLS

- C Programming
- Python
- Basics of Cybersecurity

PROJECTS

- Landmine Detection Using Rover.
- Email Spam Detection Using Python. [Link to project documentation:
<https://drive.google.com/drive/folders/16G4P3EDc5ZZ-Y5cVncrz6SJoSQjqIYY0>]
- Virtual Mouse Using Python.

INTERNSHIP

CRANES VARSITY PVT LTD- BENGALURU

During my internship in Data Science with AIML from August 2023 to September 2023, I developed a fervent interest in Python and data analysis, particularly leveraging machine learning techniques. I successfully concluded a project dedicated to email spam detection, an experience that was both challenging and rewarding.

SOFT SKILLS AND INTERESTS

Soft Skills: Good Communication, Teamwork, Leadership.

Interests: Volleyball, Video games, Learning new technologies.
